Library Turns 30

The library has been in Lakewood for thirty years. The door opened in the first building on October 16, 1982. The Friends of the Library served hot cider, apples and cookies for the week long celebration. On the anniversary date Cathy shared some tasty cake balls with library patrons. It was fun taking a trip down memory lane with the display of old photos and newspaper clippings.

The next meeting of the Friends will be Thursday, May 2, 2013 at 9:00 at the library
